

# **TRIS Construction Update**

## **Monday 30<sup>th</sup> September, 2019**

Dear TRIS Community,

Despite our construction team's best efforts, they have run into some challenges in the construction of our temporary car park. The team is working hard to open it as soon as possible so the construction site can be fully enclosed. At this stage they are aiming for Monday 7<sup>th</sup> October, 2019. We shall communicate more information with you as it becomes available.

Sincerely,

TRIS Administration
